HOW FIRM THE FOUNDATION

Approximately one year ago the citizens of Bushkill Township, Lower Nazareth Township, Nazareth Boro, Stockertown Boro, Tatamy Boro and Upper Nazareth Township voted to merge these six districts to form the Nazareth Area School District. The consolidation of these districts can mean better educational opportunities for the children of the Area through coordination of instruction and instructional materials.

To scientifically plan for the future and further improve the educational program, the school board engaged the Educational Research Service, Inc. to survey the expanding school population and present school facilities. This group of educational experts produced the bulletin "Nazareth Area School Building Survey", released by the School Board in December 1959. The report indicates the urgent need for construction of new elementary school buildings, centered in those areas where the pupil population is concentrated and indicates the potential of greatest growth. These new school centers will streamline the educational program by more efficient and economical programming and eliminate operationally expensive and hazardous buildings.

The research team further recommended that because of the current and impending growth the present Junior High School building should be renovated and enlarged. They also suggest additional space should be provided in the Senior High School.

The school board and school administration, because of the capital outlay necessary to cope with the recent fire hazard ruling of the Department of Labor Industry, and the conclusions and recommendations of the research team, have outlined a plan of building construction to meet the physical needs of the district.

The board also recognizes the heart of an effective system of public schools is the teacher. They, therefore, want the schools staffed by well qualified, competent and dedicated teachers. To this end the board has made every effort to furnish an adequate salary schedule to encourage and hold these good teachers.

The school administration subscribes to the educational philosophy which recognizes the importance of equal educational opportunity for all children. To assure this, the curriculum of the entire school system is being reviewed and revised by the professional staff, to ensure all boys and girls an educational befitting their interests and abilities.

OUR SCHOOL ADMINISTRATORS

Herbert F. Cobley

As principal of our high school, Mr. Benfield is the chief co-ordinator of student and faculty activities. He is responsible for the supervision of curriculum, advising the student body, and for the general operation of our school. Another of Mr. Benfield's many duties is to resolve the problems of students, teachers, and parents.

Mr. Benfield received his B. S. in Education at Dickensen College and his M. A. in Education at Bucknell University.

Frederick C. Benfield

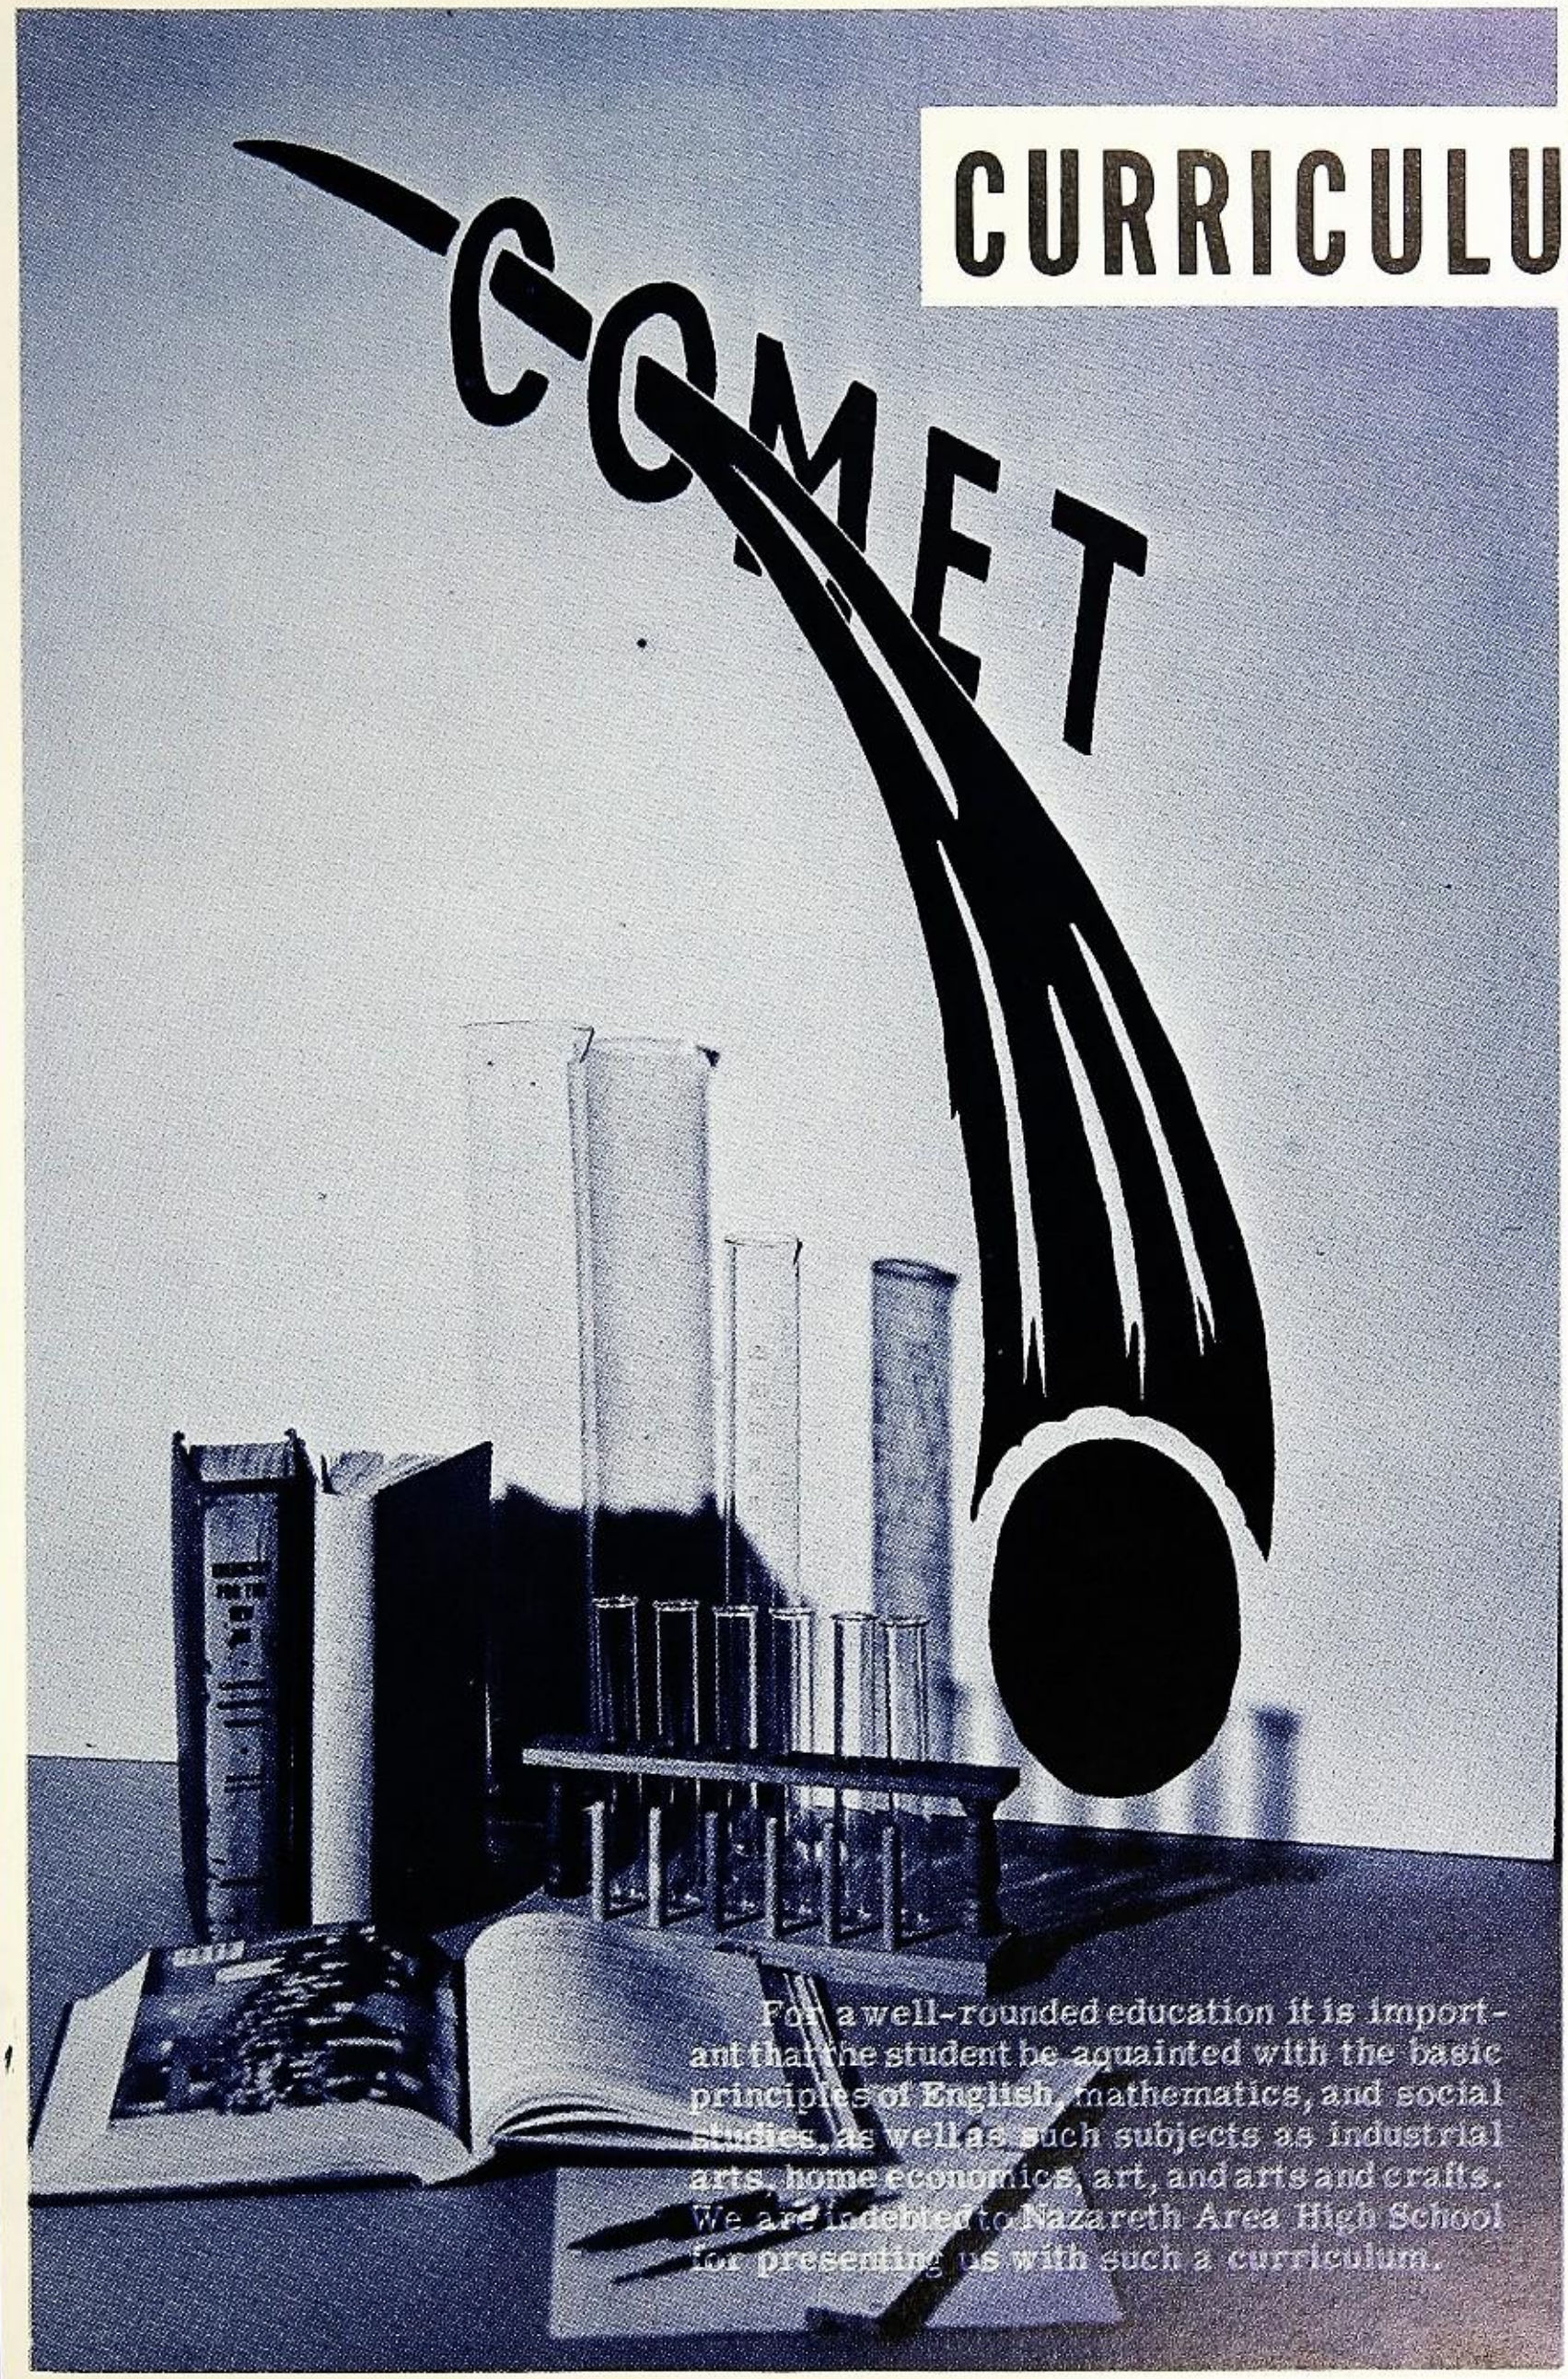
Mr. Herbert F. Cobley, head of our school administration, assumes the responsibilities of correlating the programs of the Nazareth Area Schools from kindergarten through twelfth grade. These programs are designed to meet the needs of the various types of students and to provide equal opportunities to all students, encouraging them to reach their highest goals.

Mr. Cobley received his B.S. in Education at Kutztown and his M.A. in Administration and Supervision at Lehigh University. Through the efforts of Mr. Cobley, an analysis of the facilities of our school district was completed, showing the need to plan for new growth and a long term building program.

Left, Mrs. Elaine Doyle, secretary to Mr. Benfield, right, Mrs. Ruth Kleppinger, secretary to Mr. Cobley.

These two secretaries are important members of our school district, helping to organize the business and clerical work involved in running our schools smoothly.

CURRICULUM



For a well-rounded education it is important that the student be aquainted with the basic principles of English, mathematics, and social studies, as well as such subjects as industrial arts, home economics, art, and arts and crafts. We are indebted to Nazareth Area High School for presenting us with such a curriculum.

LEARNING TO

Seated: Elizabeth Sloat and Mrs. Ruth McGonigle.
Standing: Floyd Schlegel, J. Frederick Knecht, and Robert Harding.

Teaching students to converse correctly is the major role of the English department. Improving this ability to communicate must be done by enlarging the vocabulary with extensive reading, intelligent listening, and logical thinking. The foreign languages offered are Latin and German. Upon completing two years of either, the student is well enough acquainted with the language so that he is able to understand its basic principles.

Our instructors pictured to the left are: Robert A. Harding who teaches sophomore, junior, and senior English, directs the senior class play, and sponsors the chess club; he was educated at Syracuse University A.B. and Lehigh University M.A.--J. Frederick Knecht, a junior English teacher, was educated at University of Pennsylvania, B.A. and A.M., and has as extra curricular activities Blue and White Advisor and Honor Society Advisor--Mrs. Ruth McGoigle, who instructs Latin II, German I and II, advises Honor Society and the Oratorical Contest and received her A.B. from Ursinus--Floyd Schlegel, an instructor in sophomore English, vocal music and the organ, received his B.S. and M.Ed. in music from Pennsylvania State University and did his graduate work at New York University. His extra curricular activities consist of Mixed Glee Club and Mixed Ensemble--Elizabeth Sloat teaches senior English, is in charge of school publicity and instructs the college board club. She received her A.B. from Lebanon Valley College and M.A. from Columbia University

OUR GUIDING LIGHT

Mr. Robert Reichard and Mr. Broni Krisukus discuss outstanding guidance cases.

Through our guidance department students are given the opportunity to plan college careers and future vocations. This guidance program is carried on through a series of interest tests, scholarship tests, individual interviews, and career conferences. By these various methods students are given a better understanding of their abilities and interests.

Our guidance staff consists of Robert Reichard and Broni Krisukus. Robert Reichard also advises the Junior class and Student Council besides his duties as a guidance counselor. He graduated from Kutztown State Teacher's College with a B.A. and from Lehigh University with a M. A. Broni Krisukus serves as Home and School Visitor.

College boards are administered to junior and senior students throughout the nation for the purpose placement of opportunity for entrance into college.

Mr. Thomas Mitten advises students during College Night.

WORLD EVENTS - PAST AND PRESENT

In the Social Studies department students are taught to appreciate the past and present and to look forward to the future. After completing the available courses they are most capable of solving their own problems. Studying mistakes of peoples in the past enables a student to profit in his own right.

Pictured to the right are: Augustine Weinhofer who teaches World History and Instrumental Music, sponsors the Majorette Club and the Band. SCIENTIFIC KNOWLEDGE

Mr. Cump, Mr. Shekletski, Mr. Roth, Miss Lazorak, Mr. Kostenbater.

The mathematics department plays an important role in teaching the basic requirements needed for everyday living. Because of the close relationship that exists between math and science, it is very hard to study any of the higher sciences without a good background in math. This requirement is met by our mathematics department. Algebra II, Plane and Solid Geometry, and Trigonometry are offered. Nazareth High School offers Biology, Physics, and Chemistry in the field of science.

Our instructors pictured above from left to right are: Franklyn Kostenbader, who teaches Physics and Physical Science I and advises the Science Fair Projects Club. He received his B.S. from Moravian College and his M.A. from Lehigh University--James Roth, who teaches Biology, advises the Photography Club, and was educated at Pennsylvania State University where he received his B.S. degree--Eva Lazorack, who instructs Plane Geometry, Solid Geometry, Trigonometry, Algebra II, and Biology. She advises Mathematics Club and FTA. She received her B.S. in secondary education at Kutztown State Teachers' College--Guy Cump, who instructs Plane Geometry, Algebra II, and Business Arithmetic. He also instructs the projectionist Club. He received his B.S. degree from Gettysburg College--Adam Shekletski, who received his B.S. from Lehigh University, in structs Chemistry and Physical Science II and advises Radio Club and the Science Fair Projects Club.

PATHS TO

Our Home Economics department creates a better understanding of homemaking. After graduation, girls have some preparation for either an immediate homemaking career or a major in Home Economics in college. Miss Sara Frankenfield, a recent addition to the teaching staff, is our Home Economics instructor and F.H.A. adviser. At Pennsyvlania State University she received a B.S. in Home Economics Education.

Through Arts and Crafts, students are given the chance to appreciate good taste and beauty. Miss Jean Clute instructs Art, the Arts and Crafts Club, Stagecraft Club, and Comet Art. She received a B. F.A. in education from Philadelphia Museum School of Art.

Industrial Arts prepares students for various manual trades. It is especially helpful to those who plan to begin working immediately upon graduation from high school. The shop is equipped with modern tools and machinery. Andrew Brock, our shop and mechanical drawing teacher, advises Stagecraft Club, Home and Hobby Club, and the Senior Class. He received his B.S. in Industrial Art at West Virginia Institute of Technology and his M.A. at Pennsylvania State University.

In our health classes the student is taught to care for his body. The various functions of the body are emphasized to aid the student in proper appreciation of the complex machine he has inherited. Proper health habits are an important part of the students training.

Physical Education stresses the body from the point of participation in planned activities that lead toward strength and well - being. Sportsmanship and cooperation are forwarded to help the student in getting along with others. Participating in sports requires body co - ordination which is helpful in everyday living.

Driver Education teaches the students of our school to be better drivers and students. They learn the techniques of good driving, along with the care of their automobiles. Basic driving laws are stressed so that a student is prepared to pass his operator's test.

Ending the 1959 season with a 6 - 4 record the Nazareth Blue Eagles placed fourth in the Lehigh - Northampton League.

Opening the season with an inexperienced squad, the Blue Eagles overpowered Governor Mifflin by posting a 16 - 7 victory. Nazareth's two touchdowns were credited to Jeff Marsh, with the remaining two points scored on a touchback.

Hellertown, the defending League champions, proved one week later that they were a team to contend with as the downed the Blue Eagles 20 - 14. Lynn Rothrock scored the first Nazareth touchdown and a 95 yard punt return by Bob Freeman ended the home team's scoring.

For the first away games of the season Nazareth invaded Whitehall where they outplayed the "Zephyrs" to the tune of a 19 - 6 score. Jeff Marsh was responsible for two of Nazareth's touchdowns, while Lynn Rothrock threw a touchdown pass to Bobby Arndt to climax the scoring.

Remaining in their winning stride, the Eagles journeyed to Parkland where they cut down the "Trojans" 26 - 14. The four scoring drives by Nazareth were made by Fred Keim, Jeff Marsh, Lynn Rothrock and Bob Arndt.

Next in line was Palmerton, a hitherto unbeaten team. The Blue Eagles, led by Fred Keim, dumped the "Blue Bombers" 27 - 7. Fred Keim, scoring two of the Nazareth touchdowns, received help from Bob Roth and Dick Garr in the win.

CHARGE TO VICTORY

Coaches Christman, Amoroso, Owens, and Leh

Although plagued by numerous threats, Nazareth concluded the sixth game of the season by defeating Pen Argyl 13 - 0. Kenny Shook scored a Nazareth touchdown on a pass from Dick Garr and Fred Keim scored the second on a 71 yard run.

The four game winning streak came to an end when a rugged Bangor eleven trounced the Blue Eagles 20 - 0, at Bangor. Passes were responsible for most of the Nazareth yardage.

Because the eighth game of the season was cancelled, the Eagles traveled to Northampton on the following Monday where the "Koncrete Kids" stopped them 40 - 0. The Eagles had one touchdown run which was nullified because of a penalty.

For the second last game of the season, Nazareth again was thrown for a 21 - 0 loss by a strong "Eastburg" team. Most of Nazareth's yardage was gained by the passing of Lynn Rothrock.

With high spirits and determination, the Blue Eagles on Thanksgiving Day ended the 1959 season by flattening the "Warriors" of Wilson Borough 20 - 0, at Easton's Cottingham Stadium.

Starting the game with a "bang", Nazareth fumbled on the game's first play with Wilson recovering. Wilson failed in their attempt to take advantage of the situation and after an exchange of punts, the Eagles made a serious drive, moving from their own 26 to Wilson's 38 where they ran out of gas, losing the ball on downs.

Playing in their final season for Nazareth we have the following Seniors: KNEELING: Coach Christman, Harold Keller, Joseph Csernak, Joseph Merola, Dale Kratz, Edward Temos, George Allen, Frank Franczak; STANDING: Stan Konya, Charles Bracken, Robert Arndt, Kenneth Shook and Richard Garr.

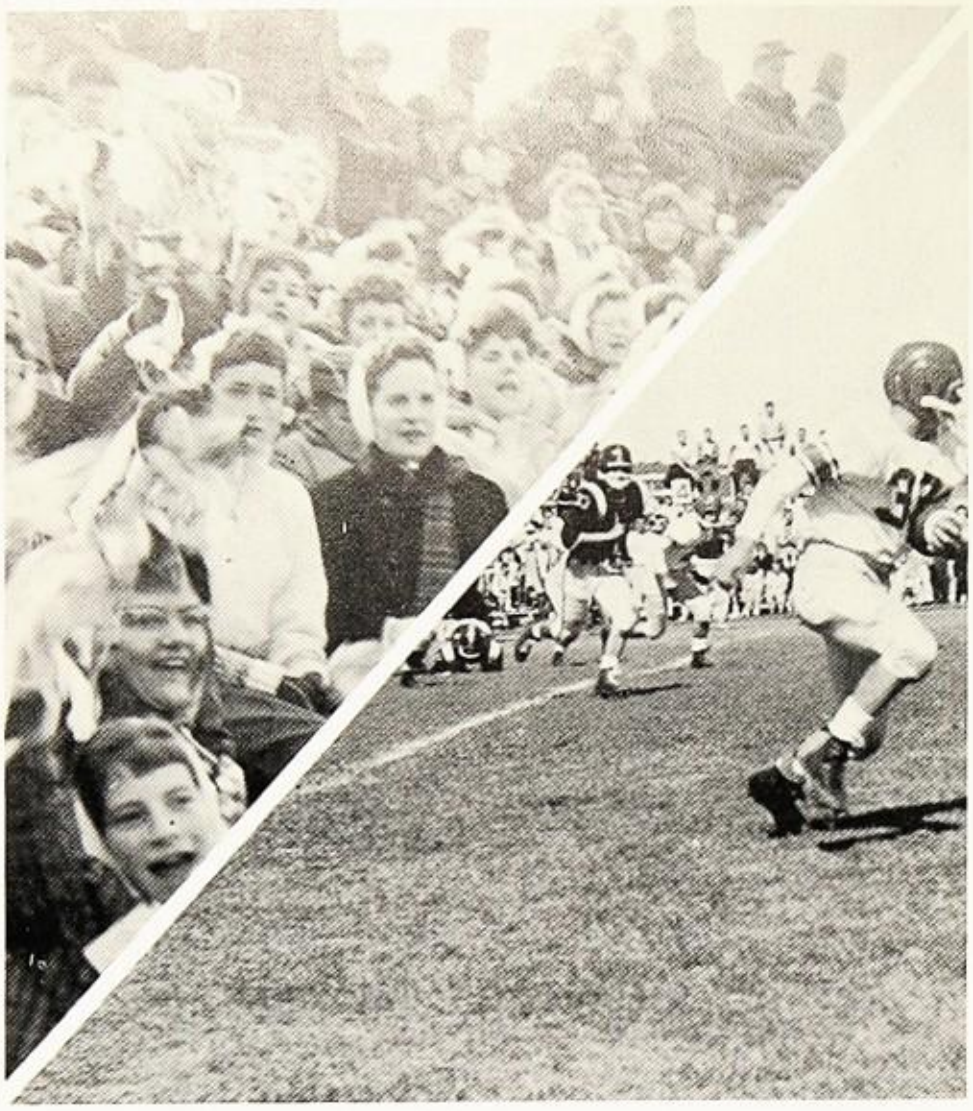
FOOTBALL FACTS



The crowd cheers as Jeff Marsh gallops for a Nazareth touchdown.

After recovering a Wilson fumble early in the second quarter, the Eagles again threatened by moving the ball to the Wilson 19, but lost the ball on downs. With just 15 seconds remaining in the half, Jeff Marsh intercepted a Wilson pass and raced 64 yards for a touchdown.

During the half the spectators were entertained by the excellent Nazareth and Wilson bands.

Resuming the battle, Wilson received the kickoff, but lost the ball on downs. After a short punt the Eagles moved 50 yards, climaxed by Fred Keim's 11 yard jaunt, to score. Although Wilson moved the ball to the Nazareth 15 yard line late in the quarter, they lost the ball on a fumble.

Capitalizing on Wilson's third quarter fumble, Fred Keim circled end and streaked 14 yards for Nazareth's final touchdown. Again the Warrior's started to move, first from their 33 to the Nazareth 34 and later from the Eagle 16 to the 3 but each time the drives were stopped by the strong Blue Eagle defense.

1959 TENNIS SCHEDULE

		Opp.	Naz.
April	24--Reading	1	5
May	1--Bethlehem	5	1
	4--Easton	4	2
	6--Reading	1	5
	7--Allentown	5	1
	11--Allentown	5	1
	14--Bethlehem	5	1
	15--Easton	3	3

This was clearly not one of Nazareth's best years so far as tennis was concerned. The reason was that many members of the team had graduated and had to be replaced.

Nazareth only won two out of eight games, defeating Reading twice with a score of 5-1 each time. During the remainder of the season Nazareth lost five games and tied one.

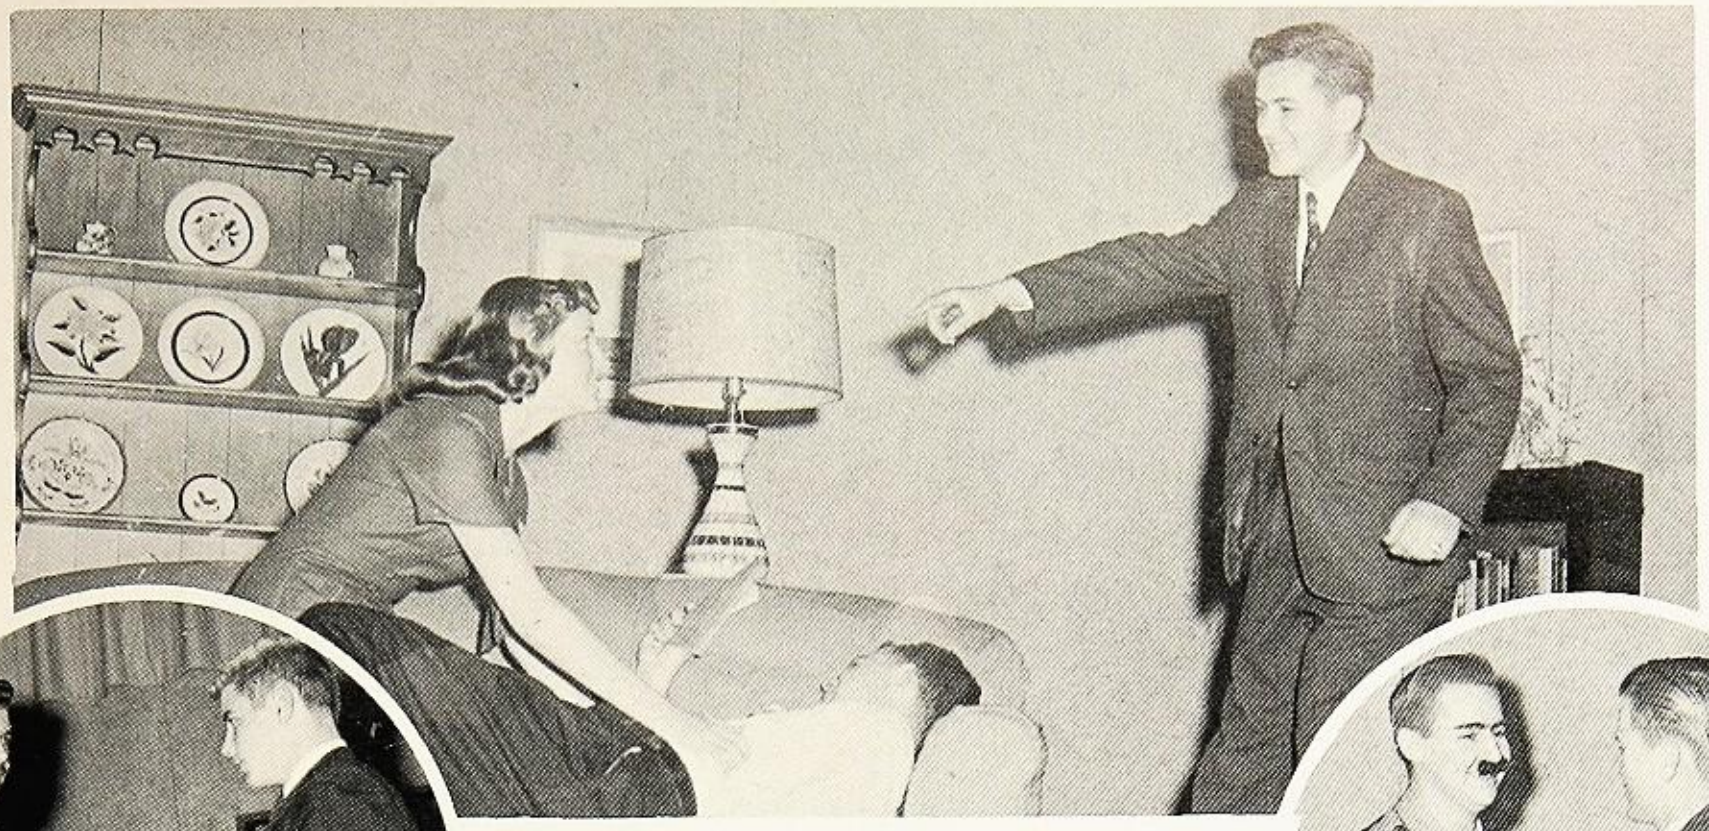
The Senior Class Play, "Money Mad", a three-act comedy directed by Robert A. Harding, was presented on November 20 and 21.

The play takes place in the Blakley home. It concerns Edgar Blakley's money-making schemes and their consequences to his and his neighbor's family.

Babs, Effie, and Cora look on as Maude comes charging in to find out what is wrong with Ricky.

A FINANCIAL SUCCESS



Janet and Keith scramble for college catalog as Janet's father comes storming in.

Mr. Grant hands his business card to Mr. Hobson.

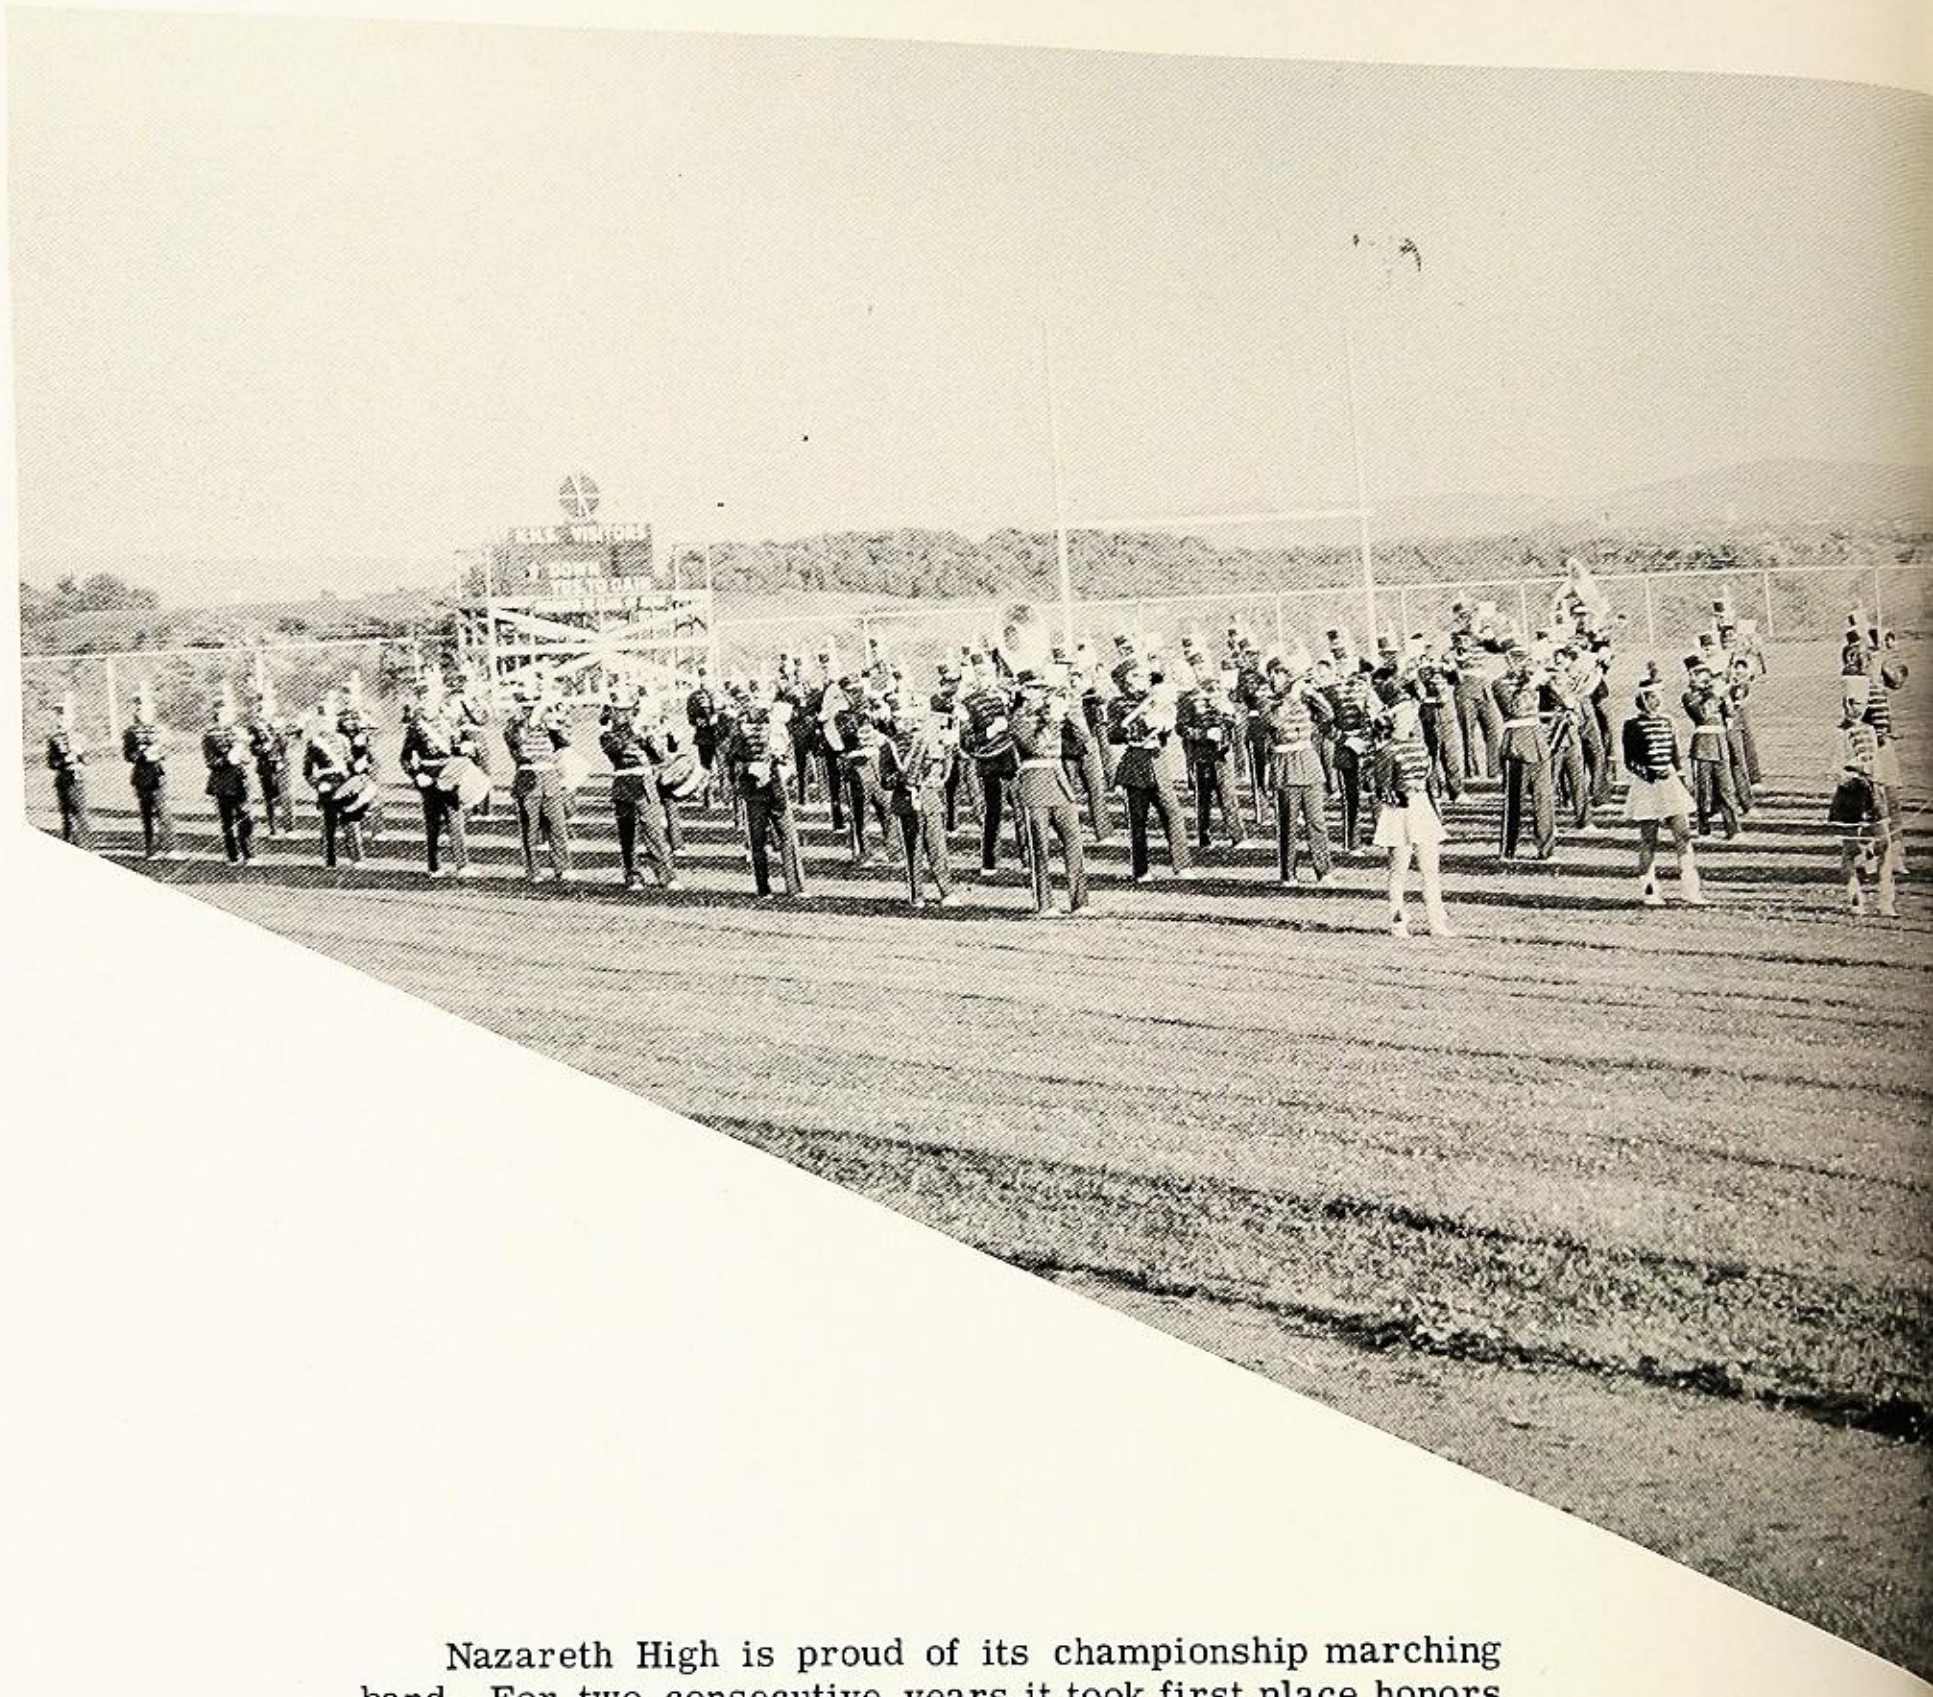
THE BAND DISPLAYS



Nazareth High is proud of its championship marching band. For two consecutive years it took first place honors in the annual Veterans Day Parade of Northampton County. Last summer the band traveled to New York to participate in the International Lions Parade where it took sixth place.

The band is a very busy organization all through the year. Each morning during football season you can see the band hard at work on the field getting ready for Saturday's game. After football season is completed, the band works diligently for Spring Concert.

The Blue and White Standard, our school newspaper, kept us informed on current happenings at Nazareth Area Senior High School. Our paper featured Student Council activities, clubs, sports, honor rolls, assembly programs, student achievements and various school functions throughout the year.

Besides keeping us informed, the Blue and White Standard was a means of providing practical training in writing for students interested in journalism careers.

Karmen Weaver served as Editor-in-chief under the guidance of J. Frederic Knecht and Quentin Zell, advisers.

Gathering information for the monthly edition of the school newspaper is the job of the reporters. They are constantly on the alert for news which will be of interest to the student body.

The editors are largely responsible for the final product. Each page is supervised by a co-editor, who, with his group, sees that his page is completed satisfactorily. The most tedious job of the editors is proofreading.

The job of the typing staff is to set up the rough copy for the printer.

The business staff is responsible for the circulation and distribution of each Edition. They also prepare the finished product for exchange with other schools.

The Blue and White is a member of both the Pennsylvania and Columbia Scholastic Press Associations from which the paper has consistently won honors.

WELCOME DISTRICT CHORUS

Pictured above is the 1960 Eastern Pennsylvania District Chorus, music directors of various schools, and the conductor, Mr. James W. Beach.

One hundred eighty-two pupils from forty-six schools participated in this year's Eastern Pennsylvania District Chorus which was held in Nazareth High on January 7, 8, and 9. The members were selected by auditions held last October.

After registering Thursday morning, everyone scrambled to find his seat and to get acquainted with the person next to him. The rest of the day was devoted to singing, except for the times they enjoyed the food prepared by the cafeteria staff. Rehearsal continued until 9:30 that evening when everyone felt as if he had put in a hard day's work.

Friday was a repeat of Thursday's schedule except for two concerts which were presented. After the evening concert, a dance was held in the beautifully decorated gymnasium.

Saturday evening before the final concert, a banquet was held in the cafeteria.

The chorus was very fortunate in having as its conductor, Mr. James W. Beach. He made them feel as if they wanted to work and at the same time have a lot of fun.
